

Covid-19 Safety Guidelines for playing Paintball at Seven Oaks

At Seven Oaks the safety and well-being of our Guests and Team Members are our top priorities. We have been monitoring and following local and national health directives related to COVID-19 and we want to keep you informed on how this will affect our paintball operation.

We are thrilled that we can follow the Governor's recommendations and provide people the opportunity to enjoy the outside, have Fun and get some exercise.

It is up to you to be responsible and act in a safe manner.

- Everyone in your group needs to read this information. These guidelines are subject to change without notice- please read before your outing.
- If you have been exposed to or diagnosed with Covid-19 in the last 14 days, please do not use our service.
- Please make your **advanced reservation** online at www.SevenOaksRec.com in advance or give us a call at 515-432-9457.
- Please print our waiver from www.SevenOaksRec.com and ensure all parties intending to participate in activities sign it before you arrive. When you arrive at Seven Oaks the group leader will check in at the office. The group leader will turn in the signed liability form and sign the rental agreement for the equipment.
- Please arrive at least 20 minutes before your scheduled time of play.
- Please make sure to maintain a 6' social distance between yourself, our team members, and any other people you may encounter while in the paintball fields.
- We will be sanitizing the masks, markers (guns), hoppers, barrel covers, and co2 bottles after each use. If you see something that you feel is unsanitary, please notify an employee and we will take care of the problem as soon as possible.
- Do not share paintball equipment with anyone.
- We recommend that you bring your own hand sanitizers.
- We ask that if you are ill, please stay at home. If you are considered high risk, this is not a recommended activity. Always cover a cough or sneeze with the inside of your elbow.
