

# 2025 SEVEN OAKS SKI DEVELOPMENT TEAM

## About Us

Volunteer coaches help young skiers, ages 7 to 17, develop a life-long love for skiing through skill development and racing tactics. The program will stress safety, enjoyment, and learning. Our parent coaches share their love of skiing and focus on helping participants achieve their goals. Skiers should be able to ski unassisted and load/unload the chairlift on their own. Saturdays are catered towards advanced beginner and intermediate skiers.

Wednesdays are reserved for advanced skiers.
