I understand those activities to include but not be limited to snow tubing, skiing and snowboarding. I understand that these activities at varying times range from recreational to competitive. It is my intent to participate in the activities at the level being offered on this date.

I understand that padding has limited protection and cannot prevent all injuries. Padding is there to inform and warn and will not protect me from injury. It is my responsibility to avoid padded and other marked and unmarked objects. I acknowledge the risks in the sport of skiing can be greatly reduced by taking lessons and using common sense.
